Youth Mission Trip News

Mission Trip Youth recently gathered at church for a planning meeting. There are a possible thirteen youth and three leaders who are interested in participating this year. The group's goal is to attend the *Servant's Heart Mission Trip in West Virginia from July 17 to July 25th*. In order to achieve that goal, much planning and fundraising needs to be done.

The group looks forward to team building and working together on the following fundraising activities:

Jewelry Sale **March 29** 2pm-4pm

Applebee's Breakfast **April 4**

Car Wash **May 9**

Spaghetti Supper **May 16**

Meat Sale **Month of May**

We will be publicizing the details of these events in the coming weeks. Please mark your calendars and help support us in our mission to help residents in Barbour County.

Thank you for continuing to support our trip by sharing your empty cans and bottles. They can be placed in the barrel in the conference room for recycling by members of our group. Here is the list of those responsible for redeeming them over the next few months:

March	Matt and Sara
April	Kelsey B.
May	Clare
June	Morgan
July	Evan
August	Jeannette

We are very thankful for the church's support of our trip. Our next meeting will take place on March 22 after the worship service. We will be making plans for

First Baptist Church of Mansfield

- *- Established 1809 -*
 - *A Word from the Pastor*
-

A couple of weeks ago I had an opportunity to attend a legislative breakfast at Windham Hospital. I had never been to one so I really did not know what to expect. It was a cold morning so I wore a black overcoat which I love to wear because it is very warm, very comfortable, and used to belong to John Geissler. I was wearing a suit because I had a funeral to do later that morning. When I arrived in the room where the meeting was being held, a very nice greeter pointed me toward a coat closet. When I opened the closet door there were already 10 black coats that looked just like mine, hanging inside, along with several others. As I entered the meeting room I was glad to be wearing a suit because the room was full of people dressed up in suits.

State Representative Don Williams was the guest speaker. The topic was the current state of health care in our country. Needless to say it was not a very uplifting topic. He spent a lot of time discussing the Governor's proposed budget and his belief that there will have to be many more cuts than Gov. Rell has laid out. I was thoroughly discouraged by the time I picked out my coat (which I made sure was the right one) and headed out the door. I had about an hour before the funeral so I thought I would go to McDonalds and treat myself to a sweet ice tea while I looked over the funeral service notes. As I got back in my car looking forward to enjoying my ice tea, I was trying to find my notes and Bible, and hold onto the keys and the tea, and sit down while wearing my long overcoat -- you guessed it. I dumped the whole 32 oz cup of tea in the back seat of my car. So, with Don Williams' discouraging words ringing in my ears, and a large cup of sticky sweet tea dripping on the floor in the backseat of the car, I decide to head to the funeral home. I was very grateful that I did not spill any on myself though.

The service soon started with a version of Amazing Grace sung by LeeAnn Rymes. As I sat there listening to this beautiful song, I looked at the family and saw their tears and great grief. I realized that in that moment, the state of our economy didn't matter, nor did the ice tea spilled in my back seat.

I began as I often do by reading a short passage from Ecclesiastes 3. "There is a time for everything, and a season for every activity under heaven: a time to be born and a time to die, a time to plant and a time to uproot, a time to tear down and a time to build, a time to weep and a time to laugh, a time to mourn and a time to dance..." Those words came alive to me in that moment. A few minutes later in the service there was a time to smile and even laugh a little as we remembered and celebrated their loved one.

Life is made up of seasons. God goes with us through all of them. We move from one to the other and then to the next one, just as we move from Winter to Spring, to Summer, to Fall, and back to winter. It's God's design for life.

The tea in the floor of the backseat of my car will someday not be sticky anymore. The economy will someday cycle back around. When discouraging things begin to pile up and your world begins to feel out of control, take a deep breath and remind yourself that God is ultimately in control. This God who is in control loves us like crazy and showed us this love in Jesus Christ. And remember that God is with us through all the seasons of life.

Camp Wightman

It is time to get ready for Camp. Christian camping in an outdoor setting takes the experience of the natural world a step further. It makes the connection for campers between the creation and the creator – a creator who not only made the world, but also made each person and calls them to a life of faithfulness and service. It is also a great value with the FBCM trying to give all of our Youth the experience of this enjoyable ministry!

Join us for a special Sunday March 15th to celebrate Camp. Enjoy Snacks and hear stories about Camp. Please wear camp clothes that Sunday.

We will be awarding camperships for students to attend Camp Wightman. Applications are Due May 17, 2009 to any member of the Board of Christian Education.

She then explains how God affirms and even welcomes our humanity in the midst of our brokenness as she guides us through question and answer sections specifically designed to assist us in our journey.

Ladies Aid Society

There was a very enjoyable and productive meeting held at the church on February 5th. We shared a pot luck dinner and held a business meeting. Elected officers for the coming year are:

Patty Geissler – President
 Jill Steadman-Myette – Vice President
 Laura Austin – Treasurer
 Nancy Flynn – Secretary

A company has been selected to publish our upcoming Anniversary Cookbook. We have been soliciting and collecting your favorite recipes for some time now. There is still room for more recipes so get them in as soon as possible to Nancy or Jill. This is a very exciting and delicious project for us.

We discussed many possible activities and fundraisers for 2009. We will be offering Apple Crisp and Cheesecake Sunday sales. We voted to have another Butter Braid Sale in the fall. There was also discussion about having a Rada Knife fundraiser and perhaps offering anniversary tote bags for sale.

The group unanimously voted to make a \$200 donation to the Church Women United Scholarship Fund and have a beveled edge protective cover made for the conference table in the church office. We can report that thanks to Alice and Prescott Spencer the cover has been successfully purchased and installed on our very nice wood conference table. We are also looking into many other possi-

ble projects including sanctuary carpet cleaning, new conference room chairs and upgrades for the men's lavatory. There is preliminary discussion on having an Anniversary Strawberry Shortcake Supper in June too!

The fellowship and energy of our last meeting was so positive that we said that we should get together more often. We will meet again on Friday, March 20 to share information and continue planning projects and our year's activities. We would be happy to have you join us on

Perception Program

Perception Program, Inc. is a private, non-profit agency based in Willimantic that serves Northeastern CT. PPI's goal is to provide quality support and treatment to individuals addicted to alcohol and/or drugs including those with mental health problems, offenders, and to those who are living with HIV/AIDS. Since incorporating in 1970, they have offered outpatient, outreach, residential and education/prevention and case management services. One of their seventeen programs, Perception House, is a residential co-

occurring treatment facility directed by Denise Keane of FBC.

PPI's one major fundraiser is the Steeple Chase, which is held each August in collaboration with W.A.I.M. A much smaller, but still important, fundraiser is the collection of receipts from shoppers of Shaw's supermarket. An envelope can be found on the bulletin board in the conference room for anyone who wishes to donate their receipts from Shaw's. Noth-

ing needs to be written on the receipt, and the receipt can be for any amount. PPI receives 1% of the total amount on the receipts it collects and returns to the supermarket. Please consider this very easy and important ministry. Thank-you.

Soup Kitchen

In January, church members contributed nearly 45 items with a value of approximately \$92..

In February, some 65 items were contributed with an approximate value of \$120.

In total, over \$200 of food items have been contributed in the first two months of 2009.

Our Nursery

We are thankful to welcome Kimberly Robbins and Julia Altshul as new Nursery staff. Kimberly will be in the nursery through the Sunday School hour and Julia will join her for the Worship Service time. Both girls attend college locally and have several years of child care experience. Please stop by to welcome them and thank them for this ministry to our Church family. Although we do have paid staff we need to update our volunteer list in the event of any absences. Please see

Susan Figueroa if you are High School age or above and are willing to be a Nursery Volunteer.

Our Church Library

Our Sunday School Mission through the Spring of 2009 is our Church Library. What better source for Christian reading material could there be? Our plans include new resources, more youth friendly selections, a database of titles, and a weekly display in the fellowship hall.

If you are interested in assisting we need help choosing new titles, evaluating existing material for current use, and arranging the room. Please see the books displays each week in the Fellowship Hall and Speak to Susan Figueroa. Many thanks to Mrs. Lee Salina who donated a

lovely bookcase and to Mr. Prescott Spencer who made new shelf supports for it as well as assembling a new bookcase recently purchased with our Sunday School Funds!

Roger Williams Re-enactment

April 19th

As a part of the 200th Anniversary Celebration of the Church, the Heritage Committee has arranged for actor Bill Hutchinson to portray Roger Williams, the founder of the Baptist movement in America. The re-enactment will be presented at the church on Sunday morning, April 19th, at 10:45 a.m. during the regular worship service. After the service, refreshments will be served and Hutchinson will continue the story of Roger Williams and the early Baptists in a question and answer session. The church has invited Mansfield Historical Society members and friends to attend this event.

Hutchinson, Professor Emeritus and former Head of the Theatre Department at Rhode Island College, is well known for his "Legends of Living History" dramatizations of Thomas Jefferson, Edgar Allen Poe, Henry David Thoreau, Clarence Darrow, Moses Brown, Oscar Wilde, Anglican Bishop George Berkeley, and others. The Rhode Island Committee for the Humanities called on Hutchinson for his Roger Williams portrayal in its Legacy Series which sent actors into the schools to make historical figures come alive in the class-

room. Hutchinson added native American actors from the Narragansett tribe in traditional dress to an expanded version of the Roger Williams story for Rhode Island's 350th Anniversary, and he uses some Narragansett words in his solo performance.

Roger Williams was born in London and educated for the ministry at Cambridge University. He broke away from the Church of England because he could not agree with its policies on faith and church governance. In 1630 he and his wife Mary sailed for the Massachusetts Bay Colony in search of religious liberty. He served briefly as pastor at churches in Plymouth and Salem, but his views soon brought him into conflict with the authorities, and so, with the support of twelve "loving friends and neighbors" he acquired land from the native Americans and established what is now Providence. As a student Williams showed an early gift for language learning, acquiring facility in Greek, Dutch, and French. He gave Dutch lessons to the poet John Milton in exchange for lessons in Hebrew. Williams' sensitivity to foreign languages probably helped him acquire land for his new settlement.

This program will appeal to young and old alike, and we look forward to a full sanctuary for the presentation and a lively discussion afterwards.

Historical Society Museum Exhibit Opens May 31st

For the opening of the Mansfield Historical Society Museum (across Route 195 from the church) on May 31st, the Heritage Committee and museum staff will mount a wide-ranging retrospective exhibit on the First Baptist Church and its involvement in the Mansfield community. Located on Spring Hill at the geographic center of the town, the church has played a major role in Mansfield's history, and its members have made prominent contributions to local government, business, industry, culture, and society. The exhibit, designed to complement a series of 200th Anniversary events at the church, will include many artifacts, photographs, documents, and narratives of church members and friends through the years.

Members and friends of both the Church and the Historical Society are invited to a coffee hour at the Church after morning worship on the opening day May 31st, followed by a tour of the exhibit at the Historical Society Museum.

Foot Warmers in Church in the 1830s

A Remembrance by Rev. Henry Bromley

[Excerpt from the “Historical Discourse, Delivered on the Fiftieth Anniversary of His Settlement,” by Rev. Henry Bromley, in Mansfield, Connecticut, June 5, 1887. Rev. Bromley was the sixth pastor of the First Baptist Church of Mansfield, serving here from 1837 to 1843. Our church was his first pastorate, and he was ordained here in 1838. He went on to become a missionary to Brooklyn, New York, returning to preach this anniversary sermon in 1887, twelve years after the present church building was erected.]

“The year 1808 witnessed the building and completion of a house of worship upon the site of this church which we occupy today. . . .

“There was no appliance for warming the building, it being expected that worshipers would provide foot stoves and carry with them at their discretion. The winters in those old times were long and cold as winters sometimes now are. A box stove for the meeting house was suggested by some comfort-seeking aspiring member. A stove in a meeting house! There would be danger of fire! Already the too careless use of foot stoves, carried to church by the sisters, had created alarm, and some had suggested the manufacture and use of husk overshoes. No, if the members had not religion enough to keep them warm during the morning and afternoon service they had better repent and pray God that ‘the thought of their hearts be forgiven them,’ quoting the couplet they probably thought, if they did not sing, ‘Brethren, if your hearts be warm, ice and snow can do no harm.’ . . .”

— O —

Rev. Bromley refers to the following hymn, written by Rev. John Leland one cold day in Massachusetts, while listening to a sermon by another pastor preparatory to the outdoor baptism of five people:

Christians, if your hearts be warm,
Ice and snow can do no harm;
If by Jesus you are prized,
Rise, believe, and be baptized.

Jesus drank the gall for you,
Bore the curse of sinners due;
Children, prove your love to him,
Never fear the frozen stream.

Never shun the Saviour’s cross,
All on earth is worthless dross;
If the Saviour’s love you feel,
Let the world behold your zeal.

Fire is good to warm the soul,
Water purifies the foul; —
Fire and water both agree —
Winter soldiers never flee.

Every season of the year,
Let your worship be sincere;
When the storm forbids you roam,
Serve your gracious God at home.

Read his gracious word by day,
Ever watching, always pray;
Think upon his law by night; —
This will give you great delight.

WHENZIT?

Here are two Reed and Barton silverplate containers, one a communion chalice, the other with several possible uses. If you can remember either or both being used at the First Baptist Church of Mansfield, please tell one of the Heritage Committee members when and how it was used. Times need not be too specific, e.g. the 1940s, 1950s etc. would be close enough.

The Radical Servant's Youth Group

The Radical Servants youth group meeting was a blast! A trip for sixteen of us to Nomads Quest Adventures was donated to us from Brian's step father and his mother, Drs. Mark Pollack and Carmen Santos. We had an awesome time rock climbing and eating pizza. Some of us then played a game of neon mini golf and others ventured off into the video arcade section. All and all we had a fantastic blessed night.

We will be having our lock in on March 20, meeting at 7:00 P.M. at the church. It will be a night of fun and games as well as worship to the Lord. Dinner together at some point and breakfast in the morning. We welcome you to join us 8-12 grades.

Also you can now check out the church website that not only has new pictures thanks to Carol but also a page for the Radical Servants youth group that her and I have been working on together.

Looking forward to our lock in, any questions on it you can always ask me, Pastor Ron or Brian Nilson. Also we are excited about our new look in the senior high Sunday school room.

In the Lord's presence is great joy!
Blessings in the name of the Lord,

Rose Nilson
Youth group leader

With Willing Hands

Serve. Sacrifice. Surrender.

“For the love of Christ urges us on...” 2 CORINTHIANS 5:14-15

Dear Friends,

We are called by God to a life of holistic stewardship—to *fully serve, sacrifice, and surrender to the One who has given our lives new and eternal meaning*. And yet that relationship becomes profoundly multifaceted in its real-world application as we live for Christ in order to make a difference in our communities and respond to many needs “with willing hands.”

You can help make a difference! Service in Christ’s name is both an opportunity and a challenge. For 176 years National Ministries, ABCUSA has assisted American Baptist congregations as they have confronted and responded to the spiritual and physical needs resident in many communities like ours.

Our church’s contribution to the America for Christ Offering

goes to support Christ-centered ministries that are transforming lives across the United States and Puerto Rico. Our giving directly impacts local activities, projects and ministries such as:

- Evangelism and Church Planting
- Camps and Leadership Development Conferences
- Community Development and Refugee Resettlement
- Scholarships for education and Volunteers In Mission

I believe God is calling us to support local missions in America and Puerto Rico and to join with our sisters and brothers as together we serve, sacrifice, and surrender. Our goal is to contribute \$1,500.00 to the AFC Offering. Please join this wonderful opportunity to reach America for Christ. We will be receiving the America for Christ Offering on March 29th.

For the love of Christ urges us on.....

Why we need your support

The Youth Group of the First Baptist Church of Mansfield has traveled to Philippi, West Virginia every summer since 2004. Philippi is in Barbour County, one of the poorest counties in the United States where 22% of the population live below the poverty line.

Our Youth Mission Group volunteers are based at Alderson-Broaddus College for the week as they help residents in the Brownton area of Barbour County with home improvement projects. This volunteer and ministry opportunity is a collaborative effort with World Servants.

COME AND HELP US TO HELP OTHERS

Youth Choir Music Notes

Plan on joining us for our upcoming Church Family Fun Night, Friday evening March 27 (snow date Friday April 3). We will begin with a potluck supper at 6:00 PM, followed by “entertainment” at 7:00 PM. Our geographical area of focus this year will be Thailand and Myanmar, which is the American Baptist Woman’s Ministries area of study. If you’d like, bring a potluck dish from one of these countries. Also bring an item of interest to help decorate our tables and even wear clothing from Thailand or Myanmar. Let’s have a fun time together. There is a sign-up sheet on the bulletin board in the Christian Education wing for “entertainment” of the evening. If you play an instrument, dance, sing a song, do a skit or tell a joke ~ we need you!. Sign up soon. Bring a

friend, too.

The Youth Choir will be singing during morning worship Sunday March 15, and also on Easter Sunday, April 12. Please keep in mind the “Festival of Singing Children and Youth” sponsored by the Hartford/Springfield chapter of the Choristers Guild to be held this year on Saturday, May 2nd in nearby Enfield, Connecticut. A public concert is given in the afternoon. Members of our Youth Choir will be participating. Come and give support by your presence.

“Music Ministries Sunday” will be held during morning worship on Sunday, May 17th. Incorporated into this service to help us celebrate our church’s bicentennial will be

highlights of our Church’s Musical heritage over the past two hundred years. For this presentation, the Youth Choir is in need of colonial costumes both for boys and girls and ladies and gentlemen. If you have any such costumes, hats, bonnets, boots, shawls, etc. that you would be willing to lend us, or if you would be willing to sew a costume or two (pattern and fabric provided), please speak to me as soon as possible.

Many thanks, in advance, for your help.

Sub-Committee formed by Trustees

A sub-committee has been formed by the Trustees to investigate replacing the interior narthex doors that lead into the sanctuary. Tom Lackman has requested to use funds donated in memory of his wife, Dorothy Lackman to replace

the doors with hand crafted wooden doors with a decorative glass panel in the center of each door. The sub-committee is currently researching different glass treatments and designs.
